

M18 FLAG230XPDB-121C | M18 Fuel™ 230 Mm Large Angle Grinder

- It's the world's first single 18V battery operated large angle grinder delivering the power to grind, lighter than corded tools and makes up to 68 cuts per charge in 42 mm stainless steel pipe.
- Removable dust screen to prevent debris entrance, prolonging motor life.
- Next generation POWERSTATE™ brushless motor: This is Milwaukee®'s most powerful motor utilising higher grade magnets and 175% more copper vs previous motors.
- Next generation REDLINK PLUS™ intelligence system delivers an advanced digital overload protection for tool and battery and uniquely enhances the tool performance under load.
- New REDLITHIUM-ION™ High Output™ 12.0 Ah battery pack provides superior pack construction, electronics and fade-free performance to deliver the most work per charge than any other Milwaukee® battery pack.
- Disc brake slows the disc down faster for improved user protection.
- Non-lockable safety paddle switch with line-lock-out function to prevent automatic start up.
